

To all Delegates,

Please note that the next Centrefire Benchrest World Championships will be hosted as follows

WBC15 (2019) in Canada

WBC16 (2021) in Italy

WBC17 (2023) in South Africa

WBC18 (2025) in France

This agreement has been achieved thanks to the concession and good will of both South Africa and France, who were willing to postpone their candidacy for two years, in order to give Italy a second chance and priority for 2021. We are very grateful for this courtesy!

Francois Luciani
