

WBC16

Dear Delegates,

After consulting the Italian responsables for the hosting of the Benchrest World Championships in 2021, I have to inform you that they will not be able to organize these 16th World Championships in Italy, due to major issues with the administration and with the military owners of the shooting range in Dobbiaco! Furthermore, no other shooting range in Italy complies with the conditions to host a WC.

Fortunately South Africa, who had kindly postponed their bid to 2023, declared being ready to host our World Championships already in 2021.

So please take notice that in 2021, WBC 16 will be hosted in South Africa, and not in Italy !

Kind regards,

François Luciani

President WBSF
